

OLPNO Committee Goals 2009 – 2010

Communication/Membership (Louise Hampton)

- Plan Fall Meeting, scheduled for Thursday, November 12th **completed**
- Create welcome packets and be sure all new neighbors/members receive (
- Plan and create website content **completed**
- Develop ways to stay in touch with our members
- Ensure we have up to date contact information for neighbors
- Make sure billing and renewal letters are ready to go out in November for 2010
- Establish a goal to add 20 new members. Create a strategy for members who have lapsed and for neighbors who have never been members
- Create a prototype online survey

Security Committee (Al Rollins)

- Study the pros and cons of installing security cameras at key intersections
- Work with guard service to improve overall service and safety
- Analyze if all residents having a car identification sticker is a good idea
- Analyze the pros and cons of closing a few streets
- Update security pointers list

Beautification (Karen Moran)

- Repair wall east end of Camino Norte
- Re-landscape the islands – two north and two south
- Recruit a few residents to help raise money for beautification projects
- Design signage for the main entrances that indicates this neighborhood is protected by guard service
- Complete neighborhood logo design project **completed**
- Design a car sticker which displays our logo (if we decide to use car stickers)
- Order notepads embossed with our logo for gifts at fall meeting **completed**
- Learn if the Whitewater stations can be removed
- Work with the city to encourage more road resurfacing in OLP

Treasurer (Doug Donenfeld)

- Complete financial report and post on website **completed**
- Develop budget for 2009/2010 **completed**

Secretary (Candis Richmond)

- Complete the revision of bylaws and complete documentation **completed**
- Update bylaws on website **completed**
